Dear Vendor,

The Berks History Center is throwing a party, ***The Magical History Tour, Chapter 6 – The Groove Plays On!*** on Saturday, August 18<sup>th</sup>, from 2:00pm-10:00pm, at The Evergreen Club, 415 Hartz Road, Fleetwood, PA 19522. Rain or Shine!

The *Magical History Tour 6* is an annual gathering of local musicians, both those who played in bands in the 1960s-1970s and current acts, who will perform at a ‘Woodstock-like’ music festival. The Berks History Center is holding this event as a celebration of Berks County’s rich history with contemporary music & culture. *The Magical History Tour 6* is a great opportunity to bring an audience of approximately 1200 party-goers of all ages together in an atmosphere of peace, love, music and understanding!

We are currently seeking vendors to sell their groovy stuff (no food items please) at this event from 2:00pm – 8:00pm (or as long as you like)! A 10 x 10 space is only \$45 per vendor. You will need to bring your own set-up (ie: tent, table & chairs). Two event tickets are included. Note: Vendor space is limited to 8 vendors this year. If you would like to share your special products and crafts, please call us at 610-375-4375 or email Elise at [Elise@berkshistory.org](mailto:Elise@berkshistory.org) with the information below. Payment will be required at time of vendor participation confirmation. Only credit cards, checks, or cash will be accepted for payment. No Refunds.

We strive to bring a day of music and atmosphere that reflects the 1960s and early 1970s. Dust off your bellbottoms and tie-dyed shirts for the occasion. Additional tickets to the event are \$15.00 prepaid in advance and \$20.00 at the gate. This is the annual friend-raising event for the Berks History Center and all ticket sales will benefit the Center’s educational programming.

We look forward to having you participate in *The Magical History Tour 6 – The Groove Plays On!*

Peace,

All of us at Berks History Center
